SUBJECT: REPORT ON STATUS OF CASE

On February 23, 2000, a status hearing was held in the above-referenced cases, which were consolidated to be heard in Courtroom 905 of the San Juan Judicial Center. Judge Rivera González, after hearing the parties' attorneys, directed them to submit a Stipulation as to the laws applicable to the case. A certification will be submitted to the Court regarding a sample of cases in litigation involving corrections officers. As to civilian employees, there will be no sampling.

The Hon. Judge Rivera González indicated that a judgment would be issued after the stipulation regarding the applicable laws was filed; and that judgment would order the Government to include the amount to be paid to the claimants. in its upcoming budget.

An economic study must be submitted to the court to determine the amount of the judgment and the amount to be paid to each of the claimants entitled to compensation.

A hearing was scheduled for April 4, 2000, at 9:00 a.m., in Courtroom 905 of the San Juan Judicial Center.

We remind you that the Judgment to be issued by the Court will only apply to those who sued, and who are entitled to compensation in accordance with the applicable laws.

[handwritten:] They will begin to pay in July 2001
First year 25% 2nd year 25%, up to 4 years.
Will be paid with interest. Everyone should collect.

We have no knowledge of the communications that Attorney Riefkhoh had with the claimants. Rafael Vilá Carrión, Esq. tel. 764-8666, alleges that he now represents the claimants in that case. They must contact him in order to find out about the status of the case.

Regarding the claimants in the cases of Alfredo Maldonado Rodríguez et al vs. Corrections Administration – KAC-96-1381 (905), and Marisol Acevedo Colón et al vs. Corrections Administration – KAC-1998-0530, we would reiterate that we obtained a judgment on April 4, 2000. It was a long and arduous process to get a meeting with the defendants, in order to begin to examine each claimant's files. Finally, a meeting was held with officials from the agency on May 8, 2002. After that date, we sent them copies of the professional services contracts for each of the claimants. Attorney Aresti is working on scheduling the next working meeting. RE: DECLARATORY
JUDGMENT

JUDGMENT NUNC PRO TUNC

The plaintiffs claim the payment of the salary raises and step increases based on their time in active service, some in the Puerto Rico Corrections Administration, and others in the Puerto Rico Firefighters Corps, as the case may be, during the periods of time required and set forth in the laws on which their claim is based, and under which the stipulated salary increases or benefits have not been paid to them.

As a result of the Status Conference held on this matter on April 4, 2000, the Court issued and indicated how it would rule in the case, stating that there was an agreement between the parties and specifying the guidelines and law applicable to the case. Having analyzed and evaluated the case records and the applicable laws, the following Ruling is issued:

1. The claim asserted by the plaintiffs in this case is granted as it is found that they are entitled to the salary increases and benefits for active service, as stipulated by law, in the cases in which they have still not had acknowledgment of or not received the corresponding payment.

2. It is ordered that the defendants and the plaintiffs analyze each plaintiff's claim in the case, pursuant to the laws, guidelines and applicable law as set forth, to determine whether or not the [amount owed to them] has been acknowledged or they have received the payments to which they are entitled. In the cases in which the [amount owed to them] has not been acknowledged and/or they have not received payment, the total amount due as of the date of the report must be indicated for each plaintiff.

3. The laws applicable to the above-captioned matter are found to be:

1. July/12/1979 Salary increase equivalent to a rate or step increase corresponding to Act 89
2. July/01/1974 \$50.00 Amendments to the Classification and Compensation Plans, Equal Pay Regulations of June 07, 1984, as amended

4. Defendants' counsel, together with Plaintiffs' counsel, shall prepare and submit to the Court calculation and settlement sheets indicating the amounts to be paid to each plaintiff, following the guidelines and the law applicable to the case. Upon filing the originals of the calculation and settlement sheets with the Court, the defendants, through the Puerto Rico Corrections Administration, or the Puerto Rico Firefighters Corps, as the case may be, shall notify Plaintiffs' counsel, serving a copy of said calculation and settlement sheets.

5. The defendants shall prepare and file the payrolls needed to make the payment to the plaintiffs with the court, providing a copy to Plaintiffs' counsel. The payrolls shall contain: (a) the names and other identification of the plaintiffs; (b) the total owed and to be received by each plaintiff in the lawsuit; (c) the amount withheld for the retirement payment of each plaintiff; (d) the amount withheld for social insurance; (e) the amount withheld for income tax; (f) the amount withheld for fees; (g) the net amount corresponding to each plaintiff and acknowledged due to them by the Court Clerk's Office.

6. Once the aggregate individual amount, if any, of the claims' total is determined, said amount shall be allocated in the budget of the defendant agency. In order to do so, the acknowledgment of funds contemplated in the stipulation should be made, with the payment to the plaintiffs also being made. Should the parties agree to it, the payment may be made in an expedited manner. Any other payment form or system different from that indicated herein agreed upon by the parties shall be reported jointly in writing by the parties' attorneys.

7. The plaintiffs are entitled to legal interest on the amount of the judgment, at the annual percentage rate set by the Financial Board, from the date of this judgment, until it is paid. Therefore, it is in the interest of the Commonwealth of Puerto Rico for the payment to be made as soon as possible.

RE: DECLARATORY
JUDGMENT

JUDGMENT NUNC PRO TUNC

The plaintiffs claim the payment of the salary raises and step increases based on their time in active service, some in the Puerto Rico Corrections Administration, and others in the Puerto Rico Firefighters Corps, as the case may be, during the periods of time required and set forth in the laws on which their claim is based, and under which the stipulated salary increases or benefits have not been paid to them.

As a result of the Status Conference held on this matter on April 4, 2000, the Court issued and indicated how it would rule in the case, stating that there was an agreement between the parties and specifying the guidelines and law applicable to the case. Having analyzed and evaluated the case records and the applicable laws, the following Ruling is issued:

1. The claim asserted by the plaintiffs in this case is granted as it is found that they are entitled to the salary increases and benefits for active service, as stipulated by law, in the cases in which they have still not had acknowledgment of or not received the corresponding payment.
2. It is ordered that the defendants and the plaintiffs analyze each plaintiff's claim in the case, pursuant to the laws, guidelines and applicable law as set forth, to determine whether or not the [amount owed to them] has been acknowledged or they have received the payments to which they are entitled. In the cases in which the [amount owed to them] has not been acknowledged and/or they have not received payment, the total amount due as of the date of the report must be indicated for each plaintiff.

3. The laws applicable to the above-captioned matter are found to be:

4. Defendants' counsel, together with Plaintiffs' counsel, shall prepare and submit to the Court calculation and settlement sheets indicating the amounts to be paid to each plaintiff, following the guidelines and the law applicable to the case. Upon filing the originals of the calculation and settlement sheets with the Court, the defendants, through the Puerto Rico Corrections Administration, or the Puerto Rico Firefighters Corps, as the case may be, shall notify Plaintiffs' counsel, serving a copy of said calculation and settlement sheets.

5. The defendants shall prepare and file the payrolls needed to make the payment to the plaintiffs with the court, providing a copy to Plaintiffs' counsel. The payrolls shall contain: (a) the names and other identification of the plaintiffs; (b) the total owed and to be received by each plaintiff in the lawsuit; (c) the amount withheld for the retirement payment of each plaintiff; (d) the amount withheld for social insurance; (e) the amount withheld for income tax; (f) the amount withheld for fees; (g) the net amount corresponding to each plaintiff and acknowledged due to them by the Court Clerk's Office.

6. Once the aggregate individual amount, if any, of the claims' total is determined, said amount shall be allocated in the budget of the defendant agency. In order to do so, the acknowledgment of funds contemplated in the stipulation should be made, with the payment to the plaintiffs also being made. Should the parties agree to it, the payment may be made in an expedited manner. Any other payment form or system different from that indicated herein agreed upon by the parties shall be reported jointly in writing by the parties' attorneys.

7. The plaintiffs are entitled to legal interest on the amount of the judgment, at the annual percentage rate set by the Financial Board, from the date of this judgment, until it is paid. Therefore, it is in the interest of the Commonwealth of Puerto Rico for the payment to be made as soon as possible.

SUBJECT: CASE STATUS REPORT

On February 23, 2000, a status hearing was held in the above-referenced cases, which were consolidated to be heard in Courtroom 905 of the San Juan Judicial Center. Judge Rivera González, after hearing the parties' attorneys, directed them to submit a Stipulation as to the laws applicable to the case. A certification will be submitted to the Court regarding a sample of cases in litigation involving corrections officers. As to civilian employees, there will be no sampling.

The Hon. Judge Rivera González indicated that a judgment would be issued after the stipulation regarding the applicable laws was filed; and that judgment would order the Government to include the amount to be paid to the claimants. in its upcoming budget.

An economic study must be submitted to the court to determine the amount of the judgment and the amount to be paid to each of the claimants entitled to compensation.

A hearing was scheduled for April 4, 2000, at 9:00 a.m., in Courtroom 905 of the San Juan Judicial Center.

We remind you that the Judgment to be issued by the Court will only apply to those who sued, and who are entitled to compensation in accordance with the applicable laws.

9. Victor S. Lozada Burgos et al vs. Corrections Administration – KAC-2002-4604 (906)

As to the cases listed above numbered 1, 2, 4 and 5, we had previously communicated with the defendants via memoranda in this regard.

Case number 3, Felipe Serrano Tirado et al vs. Corrections Administration, was being litigated by William Riefkhoh, Esq., who recently passed away. We have no knowledge of the communications that Attorney Riefkhoh had with the claimants. Rafael Vilá Carrión, Esq. tel. 764-8666, alleges that he now represents the claimants in that case. They must contact him in order to find out about the status of the case.

Regarding the claimants in the cases of Alfredo Maldonado Rodríguez et al vs. Corrections Administration – KAC-96-1381 (905), and Marisol Acevedo Colón et al vs. Corrections Administration – KAC-1998-0530, we would reiterate that we obtained a judgment on April 4, 2000. It was a long and arduous process to get a meeting with the defendants, in order to begin to examine each claimant's files. Finally, a meeting was held with officials from the agency on May 8, 2002. After that date, we sent them copies of the professional services contracts for each of the claimants. Attorney Aresti is working on scheduling the next working meeting. These cases are already in process in terms of the review of case files. Now depend on the availability and cooperation of the agency staff in charge of coordinating with the attorneys.

Regarding the cases of Julio Aguila de Jesús et al vs. State Fire Department Emergency Medical Services – KAC-98-0531 and Palmira Acety Rosario et al vs. Comm. of P.R., Department of Health – KAC-1998-0532, we would like to inform you that we have obtained a judgment in favor of the claimants, on October 19,

D/MYDOC/ROMERAZO/MEMORANDO INFORMATIVO

2000 (in Julio Aguila et al); and on November 28, 2001 (in Palmira Acety Rosario et al). Despite our efforts and the contacts made with the attorneys of the Department of Justice, and the heads of the respective agencies, we have not managed to coordinate a meeting to examine the case files. We have asked the Court to issue an order to require the head of the agency to provide the information in the case of Julio Aguila et al; the same is being done in Palmira Rosario et al. The process of enforcing the judgments is an arduous one, as we have explained both by telephone and in writing; as the files have to be examined, and an agreement has to be reached regarding the amount owed to the claimants, if any. Then, the agency head has to include the budget items to pay the judgments in the next budget. When the Legislature and the Governor approve the Budget, then the payment must be coordinated with the Department of the Treasury.

We would remind you that these are not cases against private entities or insurance companies. They are against the government; and one has to work within the bureaucracy, which you all well know.

The next step is to get meetings with the Secretary of Health, so that he can appoint the human resources specialists necessary to conduct the evaluation of each of the claimants' case files, along with a representative from our side.

After the evaluation of the case files, and once the amount of money to which each claimant is entitled has been determined; the Secretary of Health must coordinate with the Secretary of the Treasury and the Director of the Office of Management and Budget; to include the payments in the appropriate budget. We believe that this will be for the 2002-2003 fiscal year.

We remind you that the judgment will only apply to those individuals who sued.

The cases numbered 6, 7, 8 and 9 in the header above are pending with the Court; there is still no judgment in those cases. The procedural status of these cases is as follows:

- a. Margarita de Jesús Colón vs. Department of Health – In this case, the discovery of evidence has taken place. Recently the complaint was amended to include 158 additional claimants.
- b. José Luis Ortiz López et al vs. Department of the Family – After the complaint was answered, the Court ordered the attorneys to prepare a stipulation of facts, memorandum of law and proposed judgment. We prepared it and filed it. The Department of Justice has not done so. There is a hearing on this aspect of the case scheduled for September 18, 2002, at 9:00 a.m. in Courtroom 803 of the Hato Rey Judicial Center. Anyone who wishes to attend is invited to come and find out what is happening with the case.
- c. María L. Amaro López vs. Department of the Treasury – In this case, the Department of Justice asked for a more defined presentation of the case. A Motion was prepared in compliance with the order; indicating the applicable laws. We are requesting a finding of contempt, because the Commonwealth of Puerto Rico has still not replied to the complaint. On July 3, they asked for an additional continuance to reply to the complaint, which we opposed. This case is in the initial stages of the process.
- d. Victor S. Lozada Burgos et al vs. Corrections Administration – This is a new case filed on July 19, 2002. The Secretary of Justice and the Corrections Administrator have already been served. The Commonwealth of P.R. has 60 days beginning on July 19 to respond to the complaint. We will continue with the discovery of evidence, which is the next step in the case.

It is possible that some claimants may have switched agencies (via transfer) or have retired. Those claimants must inform us of their new address, as should any claimant who has changed their mailing and/or home address.

If you need any additional information, please reach out to us at the telephones listed above.
